Provincial 4-H Opportunities

4-H Alberta offers a wide variety of opportunities for 4-H members, leaders and families.

Did you know that members who participate in 4-H beyond the club level are more likely to stay involved in the 4-H program? It's true! So ensure that as a 4-H leader, you are encouraging members to take part in ALL aspects of 4-H.

4-H also offers plenty of opportunities for leaders to attend to expand their leadership horizons while gaining valuable skills.

4-H is a family affair. We have lots of ways that families can participate in 4-H beyond the club - together!

Visit www.4h.ab.ca or check out the latest edition of the 4-H Alberta Magazine or Events & Opportunities Guide for more details on all of 4-H Alberta's opportunities.
