

Southern Alberta 4-H Regional Light Horse Committee  
Minutes for June 12, 2019

Meeting called to order at 7:07 pm.

Pledge led by Kristin Woolf

Roll Call: Coutts 49ers, Fort Macleod Midnight Riders, Retlaw 4-H Horse, Saddles and Spurs, Del Bonita, Bow River

Treasurer's Report: not available

Minutes: Minutes from January 15, 2019 were read. Charlene Price moved the minutes be adopted as read. Jaime Boot seconded.

Old Business:

1. Outstanding club fees? As far as everyone at the meeting knew, there were no outstanding club fees.
2. Horse Show Sub-Committee: the committee did not meet. Charlene went through the rules and horse show package from the previous year and will present ideas later in the meeting.
3. Ribbons: Charlene Price will get the count from Ginny Smith and the ordering information for the ribbon company and do the ribbon order. The ribbon order will be made smaller to reflect an anticipated smaller entry number.
4. Tack Swap: There will be a tack swap at the Regional Show. Tables will be \$10 each, payable at the show office when you arrive.
5. Regional Show: Some changes to the rules were discussed.

Kristin Woolf moved that under Section O Subsection 2 Tack; Equipment in the Western Performance classes should be safe and approved by 4-H leaders. Jaime Boot seconded. Motion carried. This means that barrel reins, tie-downs or martingales will be allowed in western pleasure and western equitation as long as the members have been using this equipment all year and that their 4-H leader approves the equipment. Charlene Price further motioned that the judge be informed of this decision and that members riding in proper western tack as per the existing rule should be considered for higher placings in the class. Kristine Chalifoux seconded. Motion carried. ACTION: Charlene Price will change the rule book to reflect this.

For the 2019 Regional Show, Keyhole will be removed as a class and reining will become a freestyle class. Please see show rules for required elements.

All other changes to the rules were typing or spelling areas and the changes have been made.
